A History of American Higher Education by - Prezi

Higher education in the United States has come a long way from its colonial roots. The first college undergraduates were headed for the clergy; today's undergraduates are more likely to head for Goldman Sachs--or they are knee deep in a career already. College has evolved from an elite privilege into an essential career resource.

History of U.S. Higher Education | Education Advisor

The History of Higher Education. Not long after European settlers began to arrive in what would become the United States, the first institutions of higher education were founded. These were collectively known as the colonial colleges. The first colonial college was Harvard College, founded in 1636 in Cambridge, Massachusetts.
