Stop stressing. Remind yourself that you're a first-time parent with little prior experience in most things baby, from changing diapers (especially for a newborn boy who loves to make a splash) to burping (your baby, not you), so you can't be expected to be in the baby-care-know right off the bat. And even if you do mess up a little in the first few weeks, relax — first of all, blunders are a rite of parenting passage, and second of all, chances are your baby will be very forgiving.
