Introduction To

Media Culture

The culture still very much relies on print to create these media outlets (hence the term secondary orality); however, it is increasingly only a professional, well-educated class that has access to full print- and computer-literacy. An ever larger percentage of the population merely ingests orally the media that is being produced.

General Introduction to Postmodernism - Purdue University

The Chavín culture is an extinct, pre-Columbian civilization, named for Chavín de Huántar, the principal archaeological site at which its artifacts have been found. The culture developed in the northern Andean highlands of Peru from 900 BCE to 200 BCE. It extended its influence
