The first two books were very centered around the Metro being a mysterious and dangerous place with radiated monsters and creatures who have evolved past human-kind as well as more supernatural anomalies like ghosts and spirits. Metro 2035 has completely gone away with all of these and only focuses

Unfortunately, Metro 2035 has none of that except just a okay story (the story wasnt nearly as good as Metro 2033). Most of Metro 2035 is bland dialogue and chapters that have no meaning or impact. The interesting parts flash by quickly while the boring unimportant scenes are drawn out, outstaying their welcome.
