To many historians, the fall of the Western Roman Empire in the 5th century CE has always been viewed as the end of the ancient world and the onset of the Middle Ages, often improperly called the Dark Ages, despite Petrarch's assertion. Since much of the west had already fallen by the middle of the 5th century CE, when a writer speaks of the fall of the empire, he or she generally refers to ...

## **The Falls (mall) - Wikipedia**

There are many definitions of falls. Within most definitions will be an idea that a falling is considered unintentional, to a lower level than before such as the floor or the ground, and it is neither explained either by medical causes such as blood pressure or a stroke nor caused by an overwhelming external force. A simple and widely accepted version often used in research defines a fall as ...

The fall of Singapore to the Japanese Army on February 15th 1942 is considered one of the greatest defeats in the history of the British Army and probably Britain's worst defeat in World War Two. The fall of Singapore in 1942 clearly illustrated the way Japan was to fight in the Far East – a combination of speed and savagery that only ended with the use of the atomic bomb on Hiroshima in ...
