Trademark And Copyright Litigation Forms

A trademark (also written trade mark or trade-mark) is a type of intellectual property consisting of a recognizable sign, design, or expression which identifies products or services of a particular source from those of others, although trademarks used to identify services are usually called service marks. The trademark owner can be an individual, business organization, or any legal entity.

Trademark - Wikipedia

What is trademark infringement? Trademark infringement is the unauthorized use of a trademark or service mark on or in connection with goods and/or services in a manner that is likely to cause confusion, deception, or mistake about the source of the goods and/or services.. What will happen if someone sues me for trademark infringement. A trademark owner who believes its mark is being infringed ...
